Exchange Student

This year, Perry High has opened a great door of international relationship and understanding. The addition of an American Field Service chapter to the community has given us an opportunity to broaden our knowledge of foreign lands and their people.

Satoshi Imanaka, the first of many, we hope, foreign exchange students, for the past year has made his home away from home with the Reverend and Mrs. John Propert. Satoshi, whose home is Osaka, Japan, has won our admiration both as a student and as a friend. We have enjoyed his presence in the community and in the school and we only hope that he has enjoyed us as much.

Mrs. Propert, Satoshi, and Reverend Propert

Bob
(64)

Ann,
I hope you can
read this amidst all
the cigarette smoke
but you can try. Come
over some time and you,
get some more things and I'll
tell you ~~what~~ what Kobe said
about why your boyfriend
at camp liked you. Too
bad we didn't get together at
the Post-prom party, I hope
you get sick and get
Cancer from smoking. It
will teach you. Try to
stay as nice as you were
before camp,
Bill - 1965

Ann
To a real fine girl.
Good luck at P.H.S. and
in everything you do.

Am - To a real nice, sweet girl. With my best wishes and goodluck! Love. Ed

Ann - the iconoclast!
you and your big words.
Well this is it, the last
stand for usens - Class of
'64. Make this year the
best. We've had a lot of
fun together so remember
them when you're a 50
year old grandmother.
I refuse to write all those
compliments, not that you
don't deserve them, but
just that I'm tired of
putting them down. It's
just like some ol' crap
so read what I wrote
in last year's annual
and save me the trouble

Adios, y hasta luego.
(Pretty good for 3 years huh???)

Ann,
I could tell
this space was
why I'm writing here
I feel pretty awful writing
in the same & looks! I don't
think I can say as much in yours
as I did in Barb's. You better hope
next year you'll probably be having a blast in
college (I hope!) and won't miss Ok P.H.S.
I hope you never forget some of the good times we've
had; course that goes for some of the busy times we've
what counts. But there's been a lot more goods than bads & what
in what class I know I'm gonna miss most of you guys
of the future and I hope you continue to just kidding. Hope you come
leave here and I hope you're just not anybody's smokes after all
in a school. Except for the haven's done it. That reminds me where
ya gotta get your kicks. Mom doesn't read this! I don't know where
hope your M-m doesn't see me & all the rest of the quest gals
no beer out of smoking!! I hope you was smoking after all
you got that idea but you're just not acceptable. (Gee, I
absolutely not as you do) Tony I took so long in
in a while our booze round! I got my kicks once
a drink on ya!!!!!!) I really think you
signing your annual. I hope you find
a real swell gal and I hope you find
a real swell guy in college to match ya.
Take care of yourself & my
chance. Just kinda keep an
eye on her once she needs
somebody to stand over her
& I guess love her. (grrr, or
something like that!) I hope our
being friends continues outside
of school and I hope you
added to your memories that
but I know what I'm
means by you've really
got everything. Just
thought I'd reduce
that big
head
you

Ann -
To one of the
"mostest" girls in
P.H.S. You're really
got everything - RATS!
(I'm jealous). Ok P.H.S.
won't be the same
after you leave -
and it might be
for the better!!
Best of luck in
everything!
Carmen '65

P.S. I don't see
too much around
but I'm looking
way I've added to
you'll have after
added to mine. Don't
but I know what I'm
means by you've really
got everything. Just
thought I'd reduce
that big
head
you

Ann,
To a very good
friend of mine and
Deana too. Good Luck
in your remaining year at PHS
(maybe I should have said a couple of
years instead of one) Have fun - just don't
lose too many ways and keep the number
of kids to a minimum (I guess that's how you
spend it) Also don't become a fog fiend.
Norm

And here
well have
we are
lost and yet it doesn't
seem much different than
second session. Most even for
my little talk and being con-
fused after my first friends for a
getting together. And don't forget my head
in the night. I have hope our friends will
long time. I only hope our friends will
in this. Let's try and be a best friend
year. Let's try and be a best friend
our class. Let's try and be a best friend
our party. Let's try and be a best friend
and hope you have every kind of luck and
happiness. Love as always
